24/11/2022 - Thursday

This is the 2nd time I am visiting a Govt College as a guest lecturer.

~~I find the feel~~

I found a sence of brotherhood at the dept of Chemistry which was reflected in the behavior of students. I was very impressed with the principal of your esteemed college who ~~is~~ seems to have a fan following in the Students community.

The students were very patient and very well behaved even though my talk crossed their lunch time.

This reflects the quality of the administration. The faculty and the Students community.

I wish the govt can gives more funds to develop the college. which I am sure will be a worthy investment.

I wish the Chemistry dept and the entire administration all the best and for their future endeavours.

Thank you
